

Chante Cigale, Vieilles Vignes 2016 Châteauneuf-du-Pape 80% Grenache, 15% Syrah, 5% Mourvèdre. Cask sample.

Luxurious and glossy on the palate – lovely polish and sheen here. Very good fruit purity and structurally well balanced with firm tannin that integrates nicely. No excess oak – in fact, no excess anything, making this more appealing and drinkable than many premium Châteauneufs. (RH) 15.2% Drink 2018-2040
