2019 Domaine Chante Cigale Chateauneuf Du Pape Blanc

Starting with the 2019 Châteauneuf Du Pape Blanc from this estate, it checks in as a blend of 20% each of Grenache Blanc, Roussanne, Clairette, Picpoul, and Bourboulenc. Giving up a rock-solid bouquet of honeyed apples, citrus blossom, white flowers, and a kiss of honeyed toast, this beauty has a supple, seamless texture and beautiful overall balance. Medium-bodied on the palate, this is just a classic Châteauneuf Du Pape Blanc that does everything right, delivering plenty of mid-palate and texture, a solid sense of freshness, and a clean, dry finish. It's going to shine on the dinner table and is well worth following over the coming 2-4 years.
