## 2019 Domaine Chante Cigale Chateauneuf Du Pape Extrait Blanc

---

A smaller production cuvée that's based on Roussanne and Grenache Blanc, sourced all from the Cabrières and Palestor lieux-dits, the 2019 Châteauneuf Du Pape Extrait Blanc offers more precision and purity as well as beautiful notes of caramelized citrus, white flowers, honeyed minerality, and a hint of spice. These all carry to a medium to full-bodied white that has a great texture, nicely integrated acidity, and a good finish. The purity of fruit, as well as the texture, are a solid step up over the classic cuvée, and this is a serious white that will actually be better in a year and should evolve for upwards of a decade, if you're so inclined.
