Red wine from France

Drinking window: 2026 - 2038

A single-varietal Grenache from the Pignan lieu-dit, the 2022 Châteauneuf-du-Pape Pi aged for 15 months in foudres. Vinified from certified organic grapes, the 2022 wafts up with ripe red fruits, rose water, licorice and minty gradations. Seamless tannins, bright acidity and excellent overall energy indicate that this complex red has amplified potential to turn out magnificent. I can't wait to taste the finished wine.
